~~~~

**FirstGov.gov** - FirstGov.gov, the official U.S. gateway to all government information, is the catalyst for a growing electronic government. This work transcends the traditional boundaries of government and our vision is global-connecting the world to all U.S. government information and services.

**Thomas Legislative Information on the Internet (thomas.loc.gov)** – Full text of legislation and other documents searchable by bill number or keyword. Includes voting records and such other documents as the Congressional Record.

**Catalog of US Government Pubs (www.gpoaccess.gov/cgp/index.html)**
The Catalog of U.S. Government Publications provides an index to print and electronic publications created by Federal agencies. When available, links are provided to the full-text of these publications. Additionally, the locate libraries feature enables users to find libraries by state or area code that can make print publications available for their use. Coverage is January 1994 - April 2005.

**Environmental Working Group (http://www.ewg.org/)** - From the EWG website - *EWG uses the power of information to protect human health and the environment. Our computer-assisted investigations on toxic chemicals, farm subsidies, public lands and other topics earn regular coverage from media outlets nationwide*. Look here for news and other information about asbestos and other environmental issues.
